

The Oaks, Colchester

At New Century Care, we understand that moving into a care home is a major step. That's why our homes are characterised by a warm and welcoming environment, where above all you can enjoy independence and privacy, but with the reassurance of professional support from our friendly staff whenever you need it.

Home from home

The Oaks is set in spacious grounds, situated close to local amenities and the town centre, which is just a few hundred yards away.

The Oaks benefits from modern, elegantly-styled accommodation, following a complete interior refurbishment in summer 2017.

Bedrooms are comfortable, beautifully decorated while the family room, breakfast room, cinema room and open-plan dining room offer the perfect place for you to relax or socialise in. The Oaks has the added benefit of being surrounded by large gardens and well manicured lawns, which were designed by award winning gardener, author and lecturer, Beth Chatto.
